### Condition notes

MQP spec. Aluminium 19-ton capacity body with chutes and rear steering axle. Recommended strategy: Advertise complete first, dismantle only if parts value is proven higher.

All vehicles sold ex-works Peterborough, UK. Buyer is responsible for confirming destination-country import rules (age, emissions, RHD/LHD) before purchase.

OEM part numbers and compatibility are provided as guidance only. All parts must be verified against VIN / chassis number before purchase. Please include your truck VIN when enquiring.
